Reaching out together
in love and unity
to our friends, family,
neighbors and co-workers
with the Good News that
Jesus Christ changes lives!

**For more information,
call 949-728-0429
or visit our website
www.outreachweek.org**

Do you need a change in your life?
Do you know someone who does?

Come & bring a friend to hear ordinary people tell their stories of how Jesus Christ has changed their lives in an extraordinary way!

Because God reached out to us while we were lost & undeserving of His love and grace, we desire to reach out to our Orange Coast community in a friendly, non-threatening way with the good news of the changing power of Jesus Christ.

This tradition started forty years ago as "Newport Harbor Christian Leadership Week" and has expanded to include churches & individuals from all of Orange County.
